AMSPEN Türkiye'nin en yeni PVC penceresi

Çevreye ve insana saygı, gelecek nesillerin önünü açacak yeni fikirlere hoşgörü, ürünlerimizin ulaştığı pazarlarda yüksek kalite ve standartlara sahip, müşteri beklentilerini karşılayan en iyi hizmeti sunmak.

Beklentilere en iyi şekilde yanıt verebilmek profesyonellik ister.

Kalite odaklı bir üretim anlayışı ve yüksek üretim teknolojisi sayesinde AMSPEN, yıllara hükmeden sağlamlığının yanında kullanıcılarını konforla buluşturmaktadır. Müşteri memnuniyeti temel ilkimiz. Siparişten teslimata, ürün çeşitliliğinden satış sonrası hizmetlere AMSPEN, eksiksiz işleyen sisteme sahiptir.

İyi olanı iyi koşullarda sunabilmenin sırrı, ayrıntılara verilen önemde yatar.

AMSPEN markalı tüm PVC kapı ve pencere ürünleri, AMS GROUP tarafından, kullanıcılara en yüksek faydayı sunmak hedefiyle Gaziantep Organize Sanayi bölgesinde ayrıntılara yüksek hassasiyet gösterilerek üretilmektedir. PVC kapı ve pencerede aranan tüm özellikleri bir arada sunmak AMSPEN için temel çıkış noktasıdır.

Konfor ve rahatlığın yanı sıra yüksek yaşam kalitesine de hizmet etmek adına satış sonrası hizmet ve garanti; AMSPEN'in tüketicileri için en önemli iki unsurdur.

The newest PVC window in Turkey

Respect for the environment and people, tolerance for new ideas that would help the generations to come to progress, providing high quality and standards in the markets, rendering the best services that meet the customer's demands, and meeting the expectations in the best way

One has to be professional to achieve these aims.

Thanks to its quality-oriented manufacturing process and high technology, AMSPEN presents a long service life and comfort to users. Our basic principle is customer satisfaction so that AMSPEN is based on a perfectly functioning system from order to delivery stages, product choice to after-sale service stages.

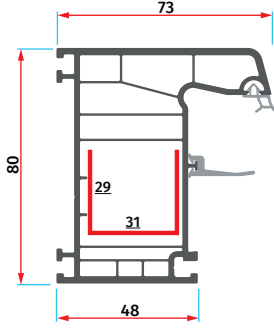

The secret of presenting to good under good terms and conditions lie in the attention paid to the details.

All AMSPEN brand PVC doors and windows are manufactured by AMS GROUP in its factory in Gaziantep with special attention to the details, in accordance with the company's aim of providing the users with the highest benefit. Presenting all the properties sought in PVC doors and windows together is the starting point of AMSPEN. The most important two factors provided by AMSPEN to the users is comfort and easiness and after-sale services and warranty
